Dear Faithful,

The following is a condensed version of what we all received as priests of the SSPX from our District Superior, Fr. Wegner. We will follow these directives as we would our local ordinary in normal times of the Church.

- ❖ Anyone who feels even *slightly* ill must not attend Mass. Period.
 - This is a dictate of charity and good ol' fashioned common sense.
- ❖ Fr. Wegner dispenses all the sick from the Sunday obligation of attending Mass until further notice.
- ❖ For those unable to attend, a Mass with sermon will be available online every Sunday. Find the link here:
 - www.youtube.com/channel/UC5AwYRmhCooK05cuf0GAG1w
- ❖ The holy water fonts will remain empty until further notice.
- ❖ We will have to cancel all unnecessary gatherings whether with food or not. Hence we have a go to Mass, go home policy in effect.
 - St. Joseph's table is cancelled.
- ❖ We will follow the lawful state or federal orders as regards closures of church functions as they arise.

Undoubtedly, we all have our own opinions and emotions on this issue, but I encourage all of us to embrace this whole ordeal in a spirit of supernatural penance; it is what it is in God's Providence and we will embrace it in reparation for sin.

In Jesu et Maria,

Fr. DeMeyer
